Adriatic Golf Resort

This collection embodies a seaside resort aesthetic inspired by the Adriatic coast in the Mediterranean. It evokes leisurely, sun-drenched beach days using simplified or deconstructed golf and marine-inspired motifs

For this collection pattern design shifts to reimagined, imperfect, and intentionally chaotic print layouts. Unexpected scales, colors, or arrangements embrace handcrafted beauty and dynamic, seemingly random placements for visually engaging textures and movement.

Inspired by the stunning blue and green hues of the Adriatic Sea, the Spring '26 color palette features Brilliant Blue for a revitalizing and optimistic feel. Spring Bouquet, a punchy green, offers an energetic pop of color and functions as a versatile light ground shade for solid fashion pieces. Sand Verbenna lavender is incorporated as an accent in scenic and motif-based prints.

The Ace Club

Inspired by Art Deco architecture, this collection features bold geometric forms, streamlined aesthetics, and strong symmetry. Themes of golf excellence ("The Albatross" and "The Ace") are explored alongside vintage whiskey label inspirations.

Prints showcase exact and graphic motifs with a sharp, regimental quality. Stylized foulards and floral like geometrics are key patterns in this vignette

The fashion color palette includes Vista Blue, a calming mid-level blue with a light feel. Rose Bouquet, a timeless and seasonless vintage reddish-pink, offers a trans-seasonal reimagining of traditional reds
