HOW IT ALL BEGAN

In 1955, a sportswear icon was born from the most unusual of places. Fueled by whiskey, Abbot Pederson purchased an unlikely drinking buddy for his flight home in the form of a stuffed penguin he named Pete. A quip from the seductive stewardess onboard led Pederson to embroider this character on his new shirts.

Pete the Penguin has left his mark on a league of legends. For over 60 years our namesake bird has been adorned and adored by the masters of leisure and sport to define itself as an American classic. Today, the Penguin icon still stands as a signal for those who know how to Be An Original.

CAMERON SMITH

Australian Cameron Smith, 28, turned pro in 2013, and since then, he's pocketed a string of wins, including these recent 2022 successes:

- Sentry Tournament of Champions, winner, earning his fourth career PGA TOUR victory in his 157th start. First player in PGA TOUR history to finish a 72-hole event 34-under or better.
- THE PLAYERS Championship - winner, earning him a second win for the season and making 10 birdies in the final round to become only the fourth player in THE PLAYERS history to accomplish such a feat.
- Masters Tournament - T3 in 2022, bagging another top 5 finish in 2 consecutive events, also marking his fourth consecutive top-10 at the event.

Cam epitomises what it means to be an original - with his individual approach to golf backed up by his unique style. Standing out from the crowd, Cam's personality radiates through our products - giving him a relaxed yet confident edge to play his best golf.
